

2-COMPONENT GROUNDING CONTACT PLUG-IN DEVICE

**Plug and
coupling**

according to DIN 49440/441

- 16 A, 250 V
- IP54: Dust and splash-water protected
- For lines up to 3G 2.5 mm²

Version	Art. No.	P. Qty.
Plug	0969 305 100	1/5
Coupling with self-closing spring cover	0969 305 200	

Extremely rugged
– For use under difficult conditions

2-component technology
– impact-resistant, easy to grip and anti-slip

90° quick-action closure
– saves time

Coupling with voltage display
– Maximum safety

Large connection space
– Saves time during wiring

–40°C to +80°C
– Can be used virtually anywhere
