

Bit box, size 3 33 pieces

Extensive assortment including RW, PH, PZ, TX, hexagon and slotted bits in replaceable bit bars including bit holder. Available in ORSY® system bit box

Mobile and interchangeable bit bars

- The bit bars can be removed from the box for taking individual bit bars to the place of use or for individually equipping bit boxes
- The bit bars can be easily removed from the box with a narrow screwdriver

Secure clamping and easy removal

- The bits sit securely in the bit bar and do not fall out
- Thanks to the movable bit bar, the bits can be removed easily

Easy identification of the desired bit size

- The correct bit is easy to find thanks to the colour code in the lid and on the bit

Always on hand

- The bit box can be attached to a belt with the practical clip and can be removed if necessary

ORSY® system

- Compact dimensions in Würth modular system size for perfect storage with other ORSY products, e.g. in Würth system case or in drawers in the workshop trolley
