

CABLE PULLING SYSTEM CPS 1

**Innovative cable feed system
for simple, fast, safe insertion of
metal coils**

Time and cost savings

- Faster than conventional cable feed systems
- Narrow radii and narrow spaces are conquered with extraordinary ease

Maximum ease of use

One-person operation

No risk of injury to the hands

Art. No.	0975 850 100
P. Qty.	1

Scope of delivery: Storage case with space for metal coils, belt clip and different plugs (standard, corrugated pipe EN 20, EN 25, EN 32) and plug-in coupling
