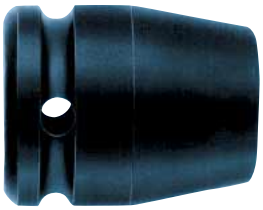
SCREWING TOOL



Apply **Screw in** **Pull off**

- For screwing and unscrewing stud screws, threaded rods and threaded pieces.
- No screwing in or additional adjustment of screw-in parts into nut required.
- 3 threaded rollers automatically grip positively into thread when screwing in.
  When screwing out, threaded rollers automatically open and release thread.
- Can be used with 1/2"-square drive for ratchet or with adapter for electric screwdrivers.
- **Not suitable for impact screwdrivers.**
