| Battery High Power      | <b>0827 111</b> |

### One-handed sliding focusing mechanism

Comfortable and much more convenient than the standard turning mechanism

### Reflector lens technology

Reflector + lens = reflector lens for optimum light efficiency

### Power switch technology

Power mode, 100% + energy-saving mode, 15%

### Hard gold plated contacts

Optimum protection against corrosion

### Battery cartridge makes it easy to change the battery

### Notice

Batteries not included in scope of delivery

## HIGH-END POWER LED POCKET TORCH WX6
