

Electrical Cable Winder

- Order and safety at the workplace.
- Suitable for wall and ceiling mounting.
- Manufactured of extremely rugged laminated material.
- Low pull-out force required.
- Simple installation, including connection cable and grounding plug.
- Drum mounted on ball bearings on both sides.
- Thermal circuit breaker against overloading.

Art. No. 0774 12

P. Qty. 1

Technical data

Voltage	250 V
Amperage	10 A
Output	rolled up: 1,380 W/unrolled: 2.300 W
Cable	H07RN-F3G1.5 mm ²
Length	12 m
Protection type	IP44
Temperature range	0 °C to +50 °C
Weight	approx. 5 kg
Dimensions (L x W x H)	approx. 350 x 170 x 315 mm

Innovative safety lock for increased safety at the workplace
→ No unchecked rolling up of the cable!

Swiveling wall bracket with locking mechanism
→ Cable winder can be removed at any time without tools!
