

XXL Glove "Wuschel"

Highly effective microfiber glove for deep-cleaning tasks in the automotive, caravan and household fields.

Color	Art. No.	P. Qty.
Light green	0899 710 005	1

Applications

Used for gentle cleaning of any surface, e.g. in the automotive, caravan, boat and household fields. Thanks to the approx. 2.5 cm long "microfiber fringes" covering the entire surface of the glove, thorough, deep cleaning of hard to reach areas (e.g. spaces in wheels/rims), in addition to rough and smooth surface cleaning, is possible. The XXL glove does not leave streaks on surfaces.

Since dust is not stirred up during use (in fact, it is trapped inside), the glove can comfortably be used by those with allergies.

Use

A cleaning agent is not required for cleaning with the glove. All you need to do is wet the glove with water to achieve optimum results. This is because the glove attracts negatively-charged dust particles like a magnet thanks to the positively-charged microfibers.

With coarse soiling, the cleaning effect can be intensified by using a Würth cleaning agent as well.

Technical Data

Dimensions	18 x 23 cm
Cleaning area	30 x 30 cm
Weight	145 g
Material	100% chenille microfiber

This information is only a recommendation based on our experience. Preliminary testing required! While using the product, both the technical data sheet and the specifications of the applicable regulations are to be complied with.

▶ Large cleaning surface.

Your advantages:

- Fast cleaning.
- Two cleaning sides.

▶ "Microfiber fringes".

Your advantages:

- 25 times more cleaning surface than conventional microfiber cloths.
- Cleans deeply.
- Cleans gently.

▶ Does not stir up dust.

Your advantage:

- Suitable for people with allergies.

▶ Versatile.

Your advantage:

- For use in a wide variety of applications both indoors and outdoors.

▶ Well-made product.

Your advantages:

- Excellent quality.
- Long life.

▶ Glove is easy to clean.

Your advantages:

- Cleaned by hand.
- Can also be cleaned in a washing machine at up to 60°C (in a mesh laundry bag and without softener).
