

# BIT BOX

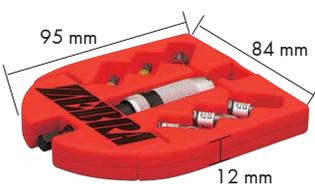

## 7-piece

- With the ZEBRA® bit system (bit and bit holder) clearly higher service life compared to conventional systems. The risk of breakage is dramatically reduced
- The system identifies the workload automatically and responds by allowing special deformation zones in the bit holder and bit to yield
- Bits and holder in practical, exclusive Würth assortment
- Fits into any shirt pocket
- Impact-resistant plastic construction
- Magnetic bit holder for easy screw placement
- Clearly laid-out storage and easy removal
- Bit holder also fits in box with bit inserted
- Quick-change chuck for secure retention and convenient bit replacement
