

## HEAVY-DUTY SIDE CUTTERS, REVERSIBLE

Switching to lever transmission by power button

Lever transmission for hard wires

Without lever transmission for thick wires

**2 tools in one: Side cutters with connectible lever transmission**

**Twice the cutting power**

By pressing the power button

**High cutting power also allows you to cut thick cables**

**Avoids hard cutting impact like with experienced with conventional side cutters**

**Precision cutting has a long service life**

High-grade steel

**Safe handling**

Ergonomic 2-part handle with non-slip surface.
