

ALL-ROUND PAINT GUN AP HVLP

Low-pressure paint gun suitable for universal use with paint, primary material and stains

- Fine, soft, homogeneous spray jet
- Integrated material quantity control
- Stepless round/wide jet control
- Self-adjusting air and material seal
- Pluggable paint screen
- Up to 15 % less material consumption thanks to HVLP (High Volume, Low Pressure) low-pressure technology
- High material transfer rate/low working speed
- Input pressure: 2.0 bar
- Air requirement: 350 l/min
- Spraying distance: 10 – 15 cm

Designation	Art. No.	P. Qty.
Paint gun complete with 600 ml plastic cup, connecting nipple, tool set and 1.7 mm nozzle	0891 700 07	1
Spare nozzle set, 1.4 mm	0891 700 071	
Spare nozzle set, 1.7 mm	0891 700 072	
Spare nozzle set, 2.1 mm	0891 700 074	

AP ALL-ROUND PAINT GUN

High-pressure paint gun suitable for universal use with paint, primary material and stains

- Low air consumption
- Integrated material quantity control
- Stepless round/wide jet control
- Low material transfer rate, high working speed
- Self-adjusting air and material seal
- Pluggable paint screen
- Excellently suited for priming and filler products thanks to nozzle design
- Input pressure: 2.0 – 3.0 bar
- Air requirement: 200 l/min
- Spraying distance: 18 – 23 cm

Bezeichnung	Art.-Nr.	VE/St.
Paint gun complete with 600 ml plastic cup, connecting nipple, tool set and 1.7 mm nozzle	0891 700 05	1
Spare nozzle set, 1.3 mm	0891 700 051	
Spare nozzle set, 1.6 mm	0891 700 052	
Spare nozzle set, 2.0 mm	0891 700 053
