

## Sabre saw SBS 1100-E

**Precise, 1100 W sabre saw, for use with wood and metal**

**Sensitive sawing, appropriate to the material**

Throttle switch

**Protection of user and machine**

If the saw blade gets jammed, the safety coupling prevents the machine from being damaged and the user from being injured.

**Saw blades can be changed quickly without the need for tools**

Quick-change saw blade mount

**Long service life**

Lifting rod with special seals protects the gearbox against dust, increasing the service life of the saw.

**Precise cuts**

Accurate mounting of the lifting rod ensures that the saw blade has only a small amount of play

**2 Years WÜRTH MASTERPLUS Warranty for wear damage**

The current WÜRTH MASTERPLUS warranty conditions must be observed.

**3 Years Warranty on manufacturing and material defects**

Excluded are damages caused by improper use, overloading or failure to observe the operating instructions.

Min./max. nominal voltage	220/230 V/AC
Min./max. frequency	50/60 Hz
Protection class	Protection class II/protective insulation
Power input	1100 W
Power output	550 W
Min./max. idle stroke speed	0-3000 rpm
Stroke length	19 mm
Tool holding device	Quick-change holder
Weight of machine	3.2 kg
Cable length	4 m

**Art. no. 5706 540 1**

P. Qty.: 1
